

Spring Fields Flat Owners Residents Welfare Association

Reg.No:146-7th May2012

SFORWA/ NPCL/2020-21

Dated 13th August 2020

To,

Noda Power Company Limited
Electric Sub-station
Knowledge Park – IV
Greater Noida (UP)
201 310

Kind Attn: Mr. S Ganguly, Vice President (Operations)

Sir,

Subject: Conversion of Existing Single Point Connection to Multipoint connections - Option for continuing with single-point connection

Reference: NPCL's letter No. E-158/SP-MP/FY2020-21/FN-18 dated 17th July 2020

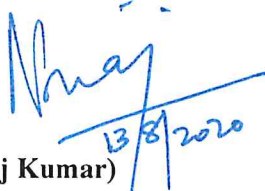

It is submitted that in the present situation of Covid-19 pandemic it is not possible to hold a General Body Meeting (GBM) in the foreseeable future, however, on receipt of an earlier communication on this subject from NPCL, this matter was discussed by the then Board of Management and on receipt of your letter under reference, this matter has again been discussed in detail by the present Board of Management in its meeting held on 2nd August 2020.

The Board of Management noted the procedural complexities, technical difficulties and cost implication for the RWA/Residents in switching over to multi point connections, and unanimously decided that the present arrangement for single-point supply may continue.

This is for your information and record.

Thanking you,

Yours faithfully

13/8/2020

(Niraj Kumar)

Secretary, Board of Management

Springfields Flat Owners RWA
