Sir,

Subject :- Electricity System Multi Point/Single Point connection of our  
Society

With reference to your letter no. E-158/SP-MP/FY 2020-21 /FN-34 dated 17.7.2020, received at our end on 24.7.2020 it is informed that total number of responses received from the resident owners of the Society on the above subject is 288 out of which 282 respondents opted for continuing with the existing system of single point connection and 06 opted for multi-point connection. Thus the overwhelming majority of respondents are in favour of single point connection.

Please be advised accordingly as above.

Regards :-
