Subject- your letter no E-158/SP-MP/FY2020-21/FN-33 dated 17.07.2020 for conversation of existing single point connection to multipoint connection. Consumer no 2000035955.

Sir,

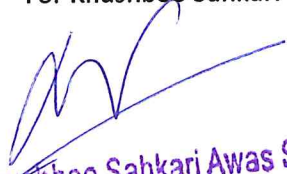

With reference to your letter dated 17.07.2020 on the above subject, the society management & majority of owners are not interested to avail multi point individual connection.

In our society occupancy is low & more than 65 percent flats are closed those owners live in other places & they / society don't want to invest money / fund on expenses of multipoint connections. Moreover society charge electricity rates as per NPCL norms & guidelines.

In the light of above facts it is to inform you that we are not interested for multipoint individual connections.

Thanking You
