Subject: Conversion of Existing Single Point Connections to Multipoint Connection

Dear Sir,

With reference to your letter no. E-158/SP-MP/FY 2020-21/FN-87 dated 17/07/2020, I would like to say that Our AOA is registered on dated 21/01/2020 and presently Hand over Take over process of the society from builder to AOA is going on. Still NPCL Electric connection remains in the name of builder (Star Buildcon City) are continued. So, AOA is not in direct picture of this activity and builder is fully responsible for the conversion of single point connection to the multipoint connections. When the name of AOA will be transferred in the NPCL account book then only AOA will be responsible for those activities.

However AOA always welcome to the multipoint connections in its society. AOA further wants to know more details of the information incurred in the process of the multipoint connections. AOA invites concerned persons of the NPCL to make a visit in its society and give the demonstrations and information regarding the conversion of existing single point connections to multipoint connections. AOA will be obliged to NPCL for this kind of action.

With Best Regards

Dear Sir,

Please refer the final notice via no. **E-158/SP-MP/FY2020-21/FN-87** dated **17.07.2020**, we want to inform you that AOA (Apartment Owners Association) is already formed here. We are just working as maintenance agency here.

AOA will only be responsible to confirm their intent of availing the Multipoint connections inside the Ace Platinum Society. So you are requested to do any communication directly with them on this matter.

Yours faithfully
