Reply to Sub: Conversion of existing Single Point Connection to Multipoint Connection

Dear Sir,

We are in receipt of Letter dated 17.07.2020 ref: **E-158/SP-MP/FY -2020-21/FN-104** regarding subject cited above from your end which is related to our project **16th Avenue** , Gaur City -02, Plot No. GH-03, Sector -16C, Greater Noida (West), Uttar Pradesh -201318.

At vary outset, we would like to inform you that being promoter of said project/society; we have received the completion certificate for the Project in 2015-2016 and handed over the apartments to respective purchaser/allottee(s).

The Association of apartment owners is already formed as per applicable law of land and more than 90% percent of residents are living after taking possession with registration of sub-lease deed in their favour which duly registered. At this juncture we humbly bring to your kind knowledge that now this Subject Matter is directly related to Residents/AOA society/project **16th Avenue**. So you are kindly requested directly contact to the AOA/Residents.

This is also to clarify that we shall not be liable or responsible for the decision, communication or failure to comply with Electricity connection norms by the residents/AOA of **16th Avenue**.

Thanking You
