Dear Sir,

Subject: Conversion of existing Single Point Connection to Multipoint Connections

This is in reference to your communication regarding conversion of existing Single point Connection to Multipoint Connections in Cherry County, Plot No. GH 5B, Techzone – 4. Greater Noida (West). U.P.

We have communicated to the residents thrice (15/7/2020, 26/7/2020 & 1/8/2020) for their consent regarding the conversion but in spite of repeated reminders, out of the 1753 flats handed over only 41 flat owners responded. 5 residents would like to continue with the existing Single point & the remaining 36 residents have opted for the Multiple point connection but not ready to bear the Cost of New Metering System and Connection Charges as mentioned by you.

Moreover, for your record kindly find enclosed the notices sent to the residents & the list of residents who responded. As a majority consensus couldn't be arrived for the Multipoint Connections so we would like to retain & continue with the existing Single Point Connection. I would be grateful & highly obliged if you kindly do the needful.

Regards!

Dear Residents,

The last few months have been a time of challenge in our world. Together we have accomplished incredible results. Though we face many new challenges, we will respond as we always have—with kindness, commitment and innovation.

Would like to draw your attention regarding the final notice of NPCL dated 17/07/2020 for Single Point / Multi Point connection. **Kindly give your decision or else it will be taken into consideration that you are satisfied with the prevailing arrangement & would like to continue doing so.**

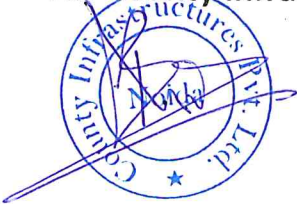

So, it is our humble appeal to you that as per communication of CCMS dated 26/07/2020, **kindly give your decision in writing / email regarding Single Point / Multi Point connection to Maintenance Office the latest by August 10, 2020.**

This will help us to convey to NPCL for the needful to be done.

Honoured & privileged to stand together with you & this is our strength & inspiration. Waiting eagerly to hear from you. Stay alert. Stay safe.

Regards!
