Sir,

Sub: Your Letter dated 17.07.2020 for conversion of Existing Single Point Connection to Multipoint Connections

Ref: Your Letter No. E-158/SP-MP/FY 2020-21/FN-92

Kindly refer to your letter dated 17.07.2020 bearing No.: E-158/SP-MP/FY 2020-21/FN-92 vide which you have notified that the RWA/AOA must communicate its decision (with respect to retaining Single Point Connection) to NPCL through a majority resolution. We had replied vide our letter dated 11.08.2020 (received by you on 13.08.2020) wherein we had clarified that your notice was put up on the notice board of the society (Paramount Golfcourse at Plot No. BGH-A) immediately on its receipt. Also, all the residents/occupants of the society were individually informed through the MyGate Platform (Mobile App).

Since the AOA has not yet been formed in the aforesaid Project, we sought the opinion/consent of the residents in this regard. Approximately 501 owners gave their response in the form of acceptance or denial for the conversion from Single Point Connection to Multiple Point Connection.

412 owners have given their consent to **retain the Single Point Connection**. Around 89 owners have consented to **switch to Multiple Point Connection**. Both the consent lists are enclosed with this letter for your kind reference.

Thank you.
