

Personal Bond

I..... son/daughter/wife of Mr. resident
place of electric connectiondeclare that I have applied for
 Load/connection for residential load to the supplier.....

That details of load in the connection are as following:-

	220/230 Volts			440/400Volts				
	R-Phase	Y-Phase	B-Phase	Total load				
Load								
(1)Light Points								
(2) Fan Points								
(3)5Amp plug points								
(4)TV								
(5)Tube Light								
(6)C.F.L								
(7)15 Amp. Plug points								
(8) Motors (Complite details)								
(9) AC								
Total								

The above work has been done by Government licensed electrical contractor. Every fact mentioned in personal bond is true to the best of my knowledge & belief, If there is any difference in electric load & load mentioned in personal bond or any fact is found false/ incorrect, I will be fully responsible for that.
