

Self-Declaration for New Electricity Connection

To,

Noida power company ltd.

H/O Electrical substation at KP 4 Greater Noida, Gautam Buddh Nagar, UP

I/We (Name) Owner of
Flat.....Floor.....Tower..... Society.....at
Plot....., Sector have applied for the new electricity connection at
the above-mentioned address.

For the new electrical connection of aforesaid premises NPCL requires the statutory
ownership proof i.e. tripartite deed between Owner, GNIDA and Developer to be
submitted along with the application. Due to temporary closure of registrar office amid
Covid pandemic the registry of aforementioned premises is not done yet.

Therefore, we present this declaration to Noida Power Company Limited to allow us the
metered electricity connection at our Flat.....Floor..... Tower.....

Society.....at..... and also allow us a time period of 6
Months to submit the Tripartite deed to Noida power company limited, failing which
Noida Power Company Limited will have full rights to take action against the consumer
as and when required including but limited to disconnection of electricity supply and
recovery of dues if any at that point of time.
